St. Patrick's weekend DUI arrests

Washington State Patrol Troopers in District 4 arrested 38 impaired drivers over the St. Patrick's Day weekend. There were six additional troopers working overtime shifts over the weekend.

This brings the total number of DUI arrests for March to 136. Troopers did not investigate any DUI related serious injury or fatal collisions on area Interstate or State Routes during this time.

The WSP would like to thank all motorists who made the decision and not drive impaired. WSP troopers will continue throughout the entire year aggressively enforcing the state's DUI laws.
